Blessed are the Peacemakers

Objective

1. Read through the Bible in 2006 "All 66 in 2006"
2. Understand the broad concepts and events
3. Dig deeper for spiritual application
4. Have fun

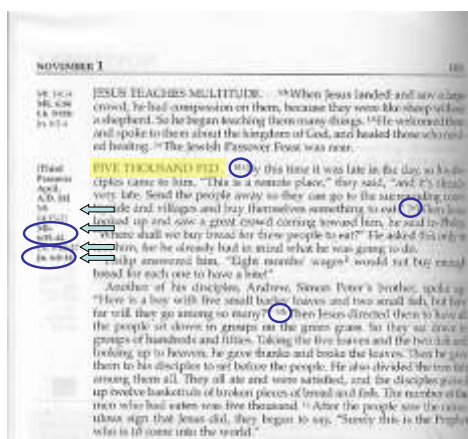

Blessed are the Peacemakers

Narrative Commentary 7-10 minutes

Scripture 7-10 minutes

Guidelines

1. Pray of understanding
2. Read the Bible like you'd read a novel.
3. Underline and make notes like crazy. You may want to keep a notebook handy. Also, keep your Bible and copy of the Outlook in a convenient place where you can be uninterrupted.
4. Find the best time for you and make it a priority. Readings should take 15-20 minutes a day.
5. If you get behind, get caught up with an extended reading session.
6. Don't get bogged down in the tough stuff. Remember we are trying to get a "big picture" that reveals God's revelation to man from creation to the second coming of Christ.

Blessed are the Peacemakers

The blessing isn't going to come from anything I say necessarily. The blessing comes when the Holy Spirit reveals to you personal, spiritual insights as you read God's word.

Executive Summary of Old Testament

In the 39 books of the Old Testament we see how God interacted with man to create a nation of people. Halley's summarizes this process as follows: "God created man, and placed him in the Garden of Eden, in southwest Asia. . . Man sinned, and fell from what God designed him to be. Then God inaugurated a plan for man's ultimate redemption and re-creation, by calling Abraham to found a nation through whom this would be accomplished. God led Abraham out of Babylonia into the land of Canaan. Abraham's descendants migrated to Egypt, and there grew to be a nation. After 400 years, they were led out of Egypt, under the direction of Moses, back into the Promised Land of Canaan. And there, in the course of some four or five hundred years, under the reigns of David and Solomon, the nation became a great and mighty kingdom. Then, at the close of Solomon's reign, the Kingdom divided. The North part, ten tribes, called "Israel," lasted about 200 years, and was taken captive by Assyria, 721 B.C. The South part, called "Judah," lasted a little over 100 years longer, and about 600 B.C., was carried away captive by Babylon. A Remnant of the captive nation, returned to their own land in 536 B.C., and reestablished their national life." 400 years later Christ was born.

Genesis

In the beginning... (p. 11) Gen. 6: 6 The LORD was grieved that he had made man on the earth, and his heart was filled with pain. 7 So the LORD said, "I will wipe out man whom I have created, from the face of the earth, and creatures that move along the ground, and birds of the air—for I am filled with their blood." 8 But Noah found favor in the eyes of the LORD.

Evolutionism and Creationism Compared

Topic	God's word	Man's opinion
Order of appearance	Earth before sun, Fruit trees before fish	Sun before earth; Fish before trees
First Man	Formed directly from the elements (dust)	Descended from Preexistent animals
First Woman	From man's body	Descended from preexistent women
Time taken for creation	All things created in six days	Vast ages
Flood judgment for sin	Globe-covering	No global flood
Death, violence, and bloodshed	Only after Adam - the results of rebellion	Eons before Adam

Darwinism Evolution

Life began by accident. Over billions of years of genetic mutation and natural selection life evolved from non-life to single celled organisms to man

Drawbacks

1. Problems with old earth*
2. Gaps/missing links
3. Benevolent mutations??
4. Something from nothing
5. Renders life meaningless**

- * 1. Galaxies wind themselves up too fast
- 2. Comets disintegrate too quickly
- 3. Not enough mud on ocean floor
- 4. Not enough sodium in the sea
- 5. Earth's magnetic field decaying too fast
- 6. Not enough Stone Age skeletons 300 billion missing

** "No life after death; no ultimate foundation for ethics; no ultimate meaning for life; no free will." Cornell Biologist William Provine

Theistic Evolution

God used the evolutionary process to create life and mankind

Drawbacks

1. Contradicts the Biblical record in Genesis and elsewhere***
2. Inconsistent with God's methods Evolution produces innumerable "misfits" and extinctions
3. Darwinism basis for anti-Christian worldview
4. Contradicts basic laws of science
 - a. Energy Conservation
 - b. 2nd Law of Thermodynamics

***"God created" six times in Genesis 1
1 Timothy 2:13 For Adam was formed first, then Eve.
1 Corinthians 15:45. So it is written: "The first man Adam became a living being"; the last Adam, a life-giving spirit.
Rom 5:12 Therefore, just as sin entered the world through one man, and death through sin, and in this way death came to all men, because all sinned--13 for before the law was given, sin was in the world. But sin is not taken into account when there is no law.
14 Nevertheless, death reigned from the time of Adam to the time of Moses, even over those who did not sin by breaking a command, as did Adam, who was a pattern of the one to come.
Acts 17:26 From one man he made every nation of men.
